Past participle	sentido pasivo	Injured in the accident, the boy...	El chico que fue herido.
Not + -ing	negativo	Not wanting to be late, I took a taxi.	Como no queria llegar tarde.
Having + past participle	accion anterior	Having lost his passport, he went to the embassy.	Despues de haber perdido.

2	The boy (INJURE) in the accident was taken to the hospital.	Injured	Pasiva: the boy who was injured.

Common Mistake

No uses 'Having lost' para acciones simultaneas. Usalo solo cuando una accion ocurre antes que la otra.

Lo que debes memorizar

Watching = while she was watching. Injured = who was injured. Not wanting = because I did not want. Feeling = because she felt. Having lost = after he had lost.
